### **Knot Another Choir (news of doing a virtual choir session)**

**Dear friends,**

How are you all, my hope is that you're all settling to the very strange situation we all find ourselves in. Last night, as it was Thursday, was very odd not seeing your smiley faces and enjoying a good sing with Craig and Declan was really missed.

Have some of you managed to get involved in a virtual choir? I know Gareth Malone has been doing one. Some of you have been asking me whether Craig will do something for us. Well!!! last night the committee and Craig had a try out doing a virtual choir session using a programme called Zoom. We had fun and it was nice to see each other's faces. Craig is in isolation at the moment but once he's completed that he hopes that he and Declan will be able to do something together for us, so watch this space.

I heard from Jenna Fan the organiser of the Ossett Pop Festival, there were fifty of you who had their names down to go to this. Jenna has had to postpone the event and hold her festival on Saturday 22nd of May 2021. She said that she appreciates some members won't be able to make this date, if that's the case she will be happy to give them a refund. For those of you who are still able to and would like to go, your money will simply just be passed over for next year, something to look forward to.

Just as soon as we're allowed to, we will rearrange our concert, anything else that has had to be cancelled will definitely happen, the events will all just have to be postponed for a while.

Please continue to keep in touch it's been lovely to hear from many of you. I will continue to answer all your emails and phone calls I'm on Facebook as Julie Bradbury-Sharp I'm happy to be friends with choir members. So keep in touch.

We now have the sound files on our website for Simply the Best and Symphony, we will focus on these with Craig when we return. Please practice these at home now and keep practising our other six songs too. We'll be brilliant when we return to practices.

I hope you all received your email about the cancellation of subs, you'll also find the information on our website.

Wishing you and your families and friends well.

Love  
Julie and John.

P.S. If anybody has anything they'd like to share on the bulletin with our choir community do get in touch.

## **Music Quiz**

### **Thanks to Chris, Kathy Shorts husband, who has compiled a music quiz**

Would you like a little light entertainment to keep you occupied while you aren't able to sing together? I've created a topical musical quiz as a printable quiz sheet which you will find at [www.short-water.co.uk/ChamberMusicQKAC.pdf](http://www.short-water.co.uk/ChamberMusicQKAC.pdf) There's no charge and no prize is offered, it's just a bit of fun. At the same time, I'm well aware that the current situation is far from fun for many of you, including those on the front line of coping with the crisis. Best wishes to all.

Chris Short
