

# Sing

*Sop and Alto*

Some words they can't be spoken only sung,  
So hear a thousand voices shouting love.  
There's a place, there's a time, in this life, when you sing what you are feeling.

*All*

Find your feet, stand your ground, don't you see right now the world is listening to what you say.  
Sing it louder, sing it clearer, knowing ev'ry one will hear you.  
Make some noise find your voice tonight.  
Sing it stronger, sing it together, make this moment last forever.  
Old and young, shouting love tonight.

*SOP* - Sing it louder. Away, away, away, away oh  
*Alto* - To sing we've had a lifetime to wait And seen a thousand faces  
*T&B* - Away, away, away, away oh

*SOP* - Sing it clearer oh yeah, we celebrate!  
*Alto* - celebrate You brought hope  
*T&B* - We celebrate! oh yeah, we celebrate!

*All*

You brought life, conquer fear, no it wasn't always easy.  
Stood your ground, kept your faith, can't you see right now the world is listening, to what you say.  
Sing it louder, sing it clearer, knowing ev'ry one will hear you.  
Make some noise find your voice tonight.  
Sing it stronger, sing it together, make this moment last forever.  
Old and young, shouting love tonight.

*Sop & alto* - Some words can't be spoken only sang.
